

The Dawe School Student Council

Food Drive

Dear Dawe Families,

The Dawe School will once again support the Stoughton Food Pantry through our annual food collection beginning May 1st and ending on May 31st. Collection boxes will be in the lobby beginning Monday, May 1st.

This continued support for the pantry is provided throughout the school year as each school within the Stoughton Public School's has chosen one month for collection. This is a worthwhile community project but is certainly optional for all Dawe families.

In order to ensure a variety of specific basic items of expressed need at the food pantry, we are requesting each grade level to bring the following items:

Kindergarten

tuna fish

Grade 1

hearty soups or canned fruit

Grade 2

hot chocolate, tea or instant coffee

Grade 3

pasta

Grade 4

paper towels, baggies, tin foil, plastic wrap

Grade 5

peanut butter and jelly (plastic jars preferred)

If you would like to donate something not on the list, we will gladly accept it.

Thank You.
