Dear Dawe School Families and Friends,

As the school year comes to a close, our minds and hearts are filled to the brim. It’s been a great year! What a school! I am so lucky and proud to be your Dawe School Principal – I could not ask for a better place to be! Together we’ve learned much and shared experiences that will long remain with us in the years to come. The strength of our community and wholehearted passion to make our school a wonderful place of learning for our children primarily but for all of us makes the Dawe Elementary School truly a special place.

Special thanks to all of you who have contributed in ways small, large and unimaginable! Copying for classroom teachers, providing food and/or organizing lunches for teachers, organizing events, working at these events, showing up to support your children, helping on field trips, serving on councils and organizations, sharing your talents, helping with traffic, picking up trash, hosting late night meetings, brainstorming the “what ifs”… supporting our work in countless ways and providing the resources to do what we dream and know is good for children. Thanks for getting your kids to school on time each day, for kind notes of encouragement that mean so much, for sending your kids with healthy lunches obviously packed with love, for making sure homework gets done… and turned in. Thank you for providing rich and engaging, well-rounded experiences for your children and knowing that education is about joy, wonder and fostering curiosity, along with the development of social skills so needed to succeed. For these, and a million other things, we are truly grateful.

To those of you who are leaving us for new places and adventures, we wish you all the best. Congratulations to our very capable 5th graders who are on to a new stage in their academic career! You’ve been a gift to us this year and will undoubtedly be a great asset to your new schools.

Until next year, enjoy a restful and replenishing summer with your families!
